Re: Distributed Generation, D.T.E. 02-38

Dear Ms. Cottrell:

Western Massachusetts Electric Company hereby files an amended compliance tariff in the above-referenced docket. In this amended tariff, the Company has revised Section 4.1.3 regarding frequency to be consistent with the Department's model tariff, and has removed the word "Draft" in Section 4.2.1. Enclosed is a clean copy of pages 29 and 30 of the tariff and a redlined version of page 30 (the page affected).

Thank you very much for your time and attention in this matter.

Very truly yours,

Stephen Klionsky (jms)
